

## Destinations To Go Travel Privacy Policy

Our policy is to respect and protect the privacy of our users. This policy statement tells you how we collect your personal information and how we use it. Using the Internet should be a fun experience and we want to help you make it so. Destinations To Go does not engage in selling the personal information of our users to third parties. Destinations To Go may disclose user information in special cases when we have reason to believe that disclosing this information is necessary to identify, contact or bring legal action against someone who may be causing injury to or interference with (either intentionally or unintentionally) Destinations To Go's web site and Destinations To Go's rights or property. Destinations To Go may disclose user information when we believe in good faith that the law requires it. There are cases where Destinations To Go may ask you for personal information such as your name and email address. For example, we request personal information for services that require registration or subscription. Destinations To Go may also need to collect this information for fulfilling prizes when contests are held online.

### OPTING-OUT

Information provided at the time of Registration or submission from a guest who has achieved the age of majority may be used for marketing and promotional purposes by Destinations To Go. To keep you in control of your personal information and the communications directed to you, we allow you to opt-out of the following services: receiving communications from Destinations To Go about new features or services, and receiving communications about Destinations To Go offers that we think would be of value to you. If a guest objects to such use for any reason, he/she may stop that use by sending an e-mail to [info@destinationstogo.ca](mailto:info@destinationstogo.ca).

### USE OF IP ADDRESSES

An IP address is a number that's automatically assigned to your computer whenever you're surfing the Web. Destinations To Go collects IP addresses for the purposes of system administration, to report aggregate information, and to audit the use of our site. We do not link IP addresses to anything personally identifiable, which means that a user's session will be logged, but the user remains anonymous to us. We can and will use IP addresses to identify a user when we feel it is necessary to enforce compliance with our house rules or terms of service or to protect our service, site, customers or others.
